Dedication

THE 1939 HARVEYAN is dedicated to Dr. Morris P. Shawkey, a man foremost in the field of education, an author, editor and lecturer, in grateful acknowledgment of his loyal service to our Alma Mater and his unfailing devotion to the cause of education.

Dr. Shawkey was born February 17, 1898, in Jefferson County, Pennsylvania, and was educated in the public schools of that state, and Oberlin College and Ohio Wesleyan University where he received his Master of Arts and the degree of Doctor of Pedagogy. In 1928 West Virginia Wesleyan College conferred upon him the degree of Doctor of Laws.

In 1895 he became a member of the West Virginia Wesleyan faculty. From 1897-1907, he was assistant state superintendent of schools; from 1902-1904, a member of the West Virginia state legislature; from 1907-1908, superintendent of Kanawha county schools; from 1909-1921, state superintendent of schools; from 1921-1923, superintendent of Bluefield schools; and from 1923-1935, he was president of Marshall College. Since 1935 he has been business manager and professor of West Virginia History and Geography in Morris Harvey College.

Dr. Shawkey has traveled from the Atlantic to the Pacific lecturing to colleges and universities. He has been the editor of the *West Virginia Educator* and has also published several books and short stories of West Virginia history.

In 1915 he received the highest honor bestowed by the organization when he was elected president of the American Association of School Administrators. Two other honors bestowed upon Dr. Shawkey are those of being listed in *Who's Who in America* and of being a member of Phi Beta Kappa, national scholastic society.

Alpha Mu

Alpha Mu

Alpha Mu was organized on October 14, 1925, and was the first sorority on the Morris Harvey campus. It was founded on the mythology of the Greek muses, the goddesses of the various arts and sciences; and the name Alpha Mu, "Sisters of the Muses," was chosen for the organization. The two-fold purpose of the sorority is to foster interest in a definite literary program of study, carefully outlined in a Year-book; and to sponsor several social events of which the annual carnival and the formal spring banquet are outstanding.

Phi Lambda Tau

*Phi Lambda Tau Sorority was founded in 1929
on the Morris Harvey campus in Barboursville*

Phi Lambda Tau

While the Phi Lambda Tau members are enjoying the contacts of their group, they are also interested in girls who do not have an opportunity to attend college. Because of this a sixty dollar scholarship loan has been established to aid one freshman co-ed each year.

Phi Lambda Tau is the only sorority at the college to publish a private newspaper, "The Re-Echo." Twice yearly the sorority sponsors a "color day," once on Home Coming Day and again on an appointed day during the spring. The sorority in an endeavor to improve the general health of the college has established a "Better Health Week" to be observed annually.

Of five May Queens chosen by popular vote of the student body, two have been members of Phi Lambda Tau. Of the nine girls listed in Who's Who Among College Students from Morris Harvey three were members of Phi Lambda Tau Sorority.

The present membership of Phi Lambda Tau expects the sorority to continue its spirit of friendship and service to the school and to continue the high ideals for which it is known.

Phi Kappa Sigma

Phi Kappa Sigma

Phi Kappa Sigma was organized in the fall of 1928 on the Morris Harvey campus at Barboursville, West Virginia. The aim of the sorority is to unite into a more intimate fellowship, young women of congenial tastes, and by means of that fellowship and sisterly understanding to afford each member the opportunity of broadening and enriching her life socially, intellectually, physically, and spiritually.

The organization carries out each year an extensive program of varied social and educational activities which is climaxed by its spring formal banquet.

Phi Sigma Phi

Phi Sigma Phi

The object of the organization is to unite young men from various localities, to install a feeling of campus fellowship, to promote the interest of the college, and open doors of social activity that might otherwise be closed. No candidate may be initiated into the chapter who has not passed twelve hours of his college work. Meetings are held each week.

Activities of the past year have included spaghetti dinners, hamburger frys, and parties.

Zeta Kappa

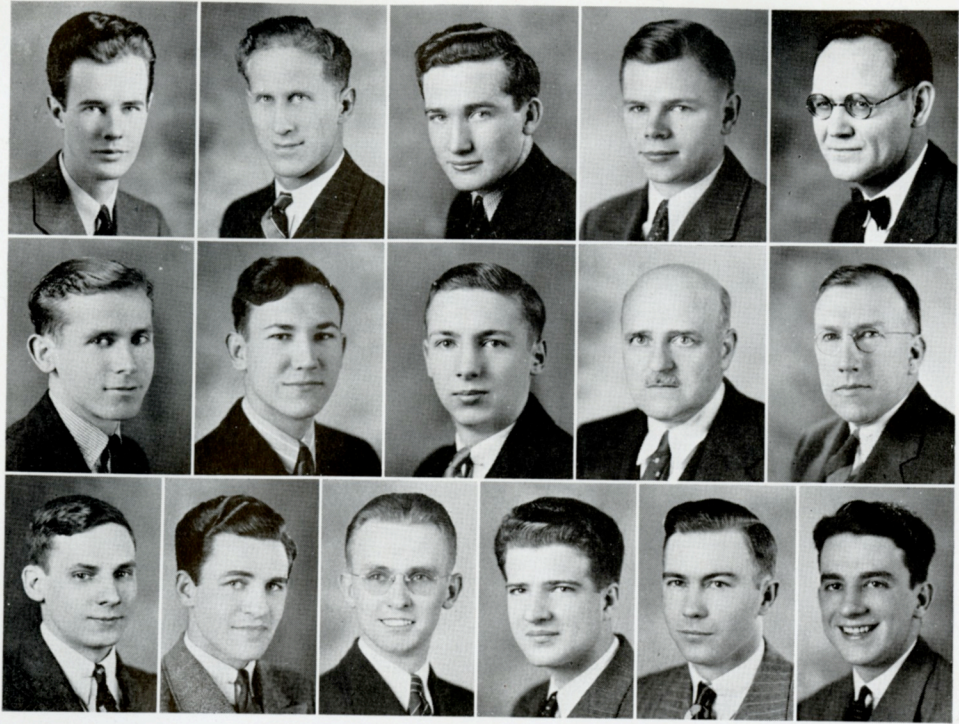

On March 14, 1923, six students of Morris Harvey college met and formed a social club, out of which organization grew the present Zeta Kappa National Social Fraternity.

Zeta Kappa

MORRIS HARVEY'S OLDEST GREEK ORGANIZATION

Zeta Kappa holds semi-monthly luncheons and business meetings alternately.

The "Z. K's" won the Eisensmith trophy with the best float at the annual home coming game. "The Golden Eagles March," Morris Harvey's fight song, was printed by the fraternity. On the organization's sixteenth birthday, a dinner was held in honor of the mothers of the members and pledges. The annual banquet was held at the Daniel Boone Hotel.

Chi Beta Phi

EPSILON CHAPTER

Chi Beta Phi

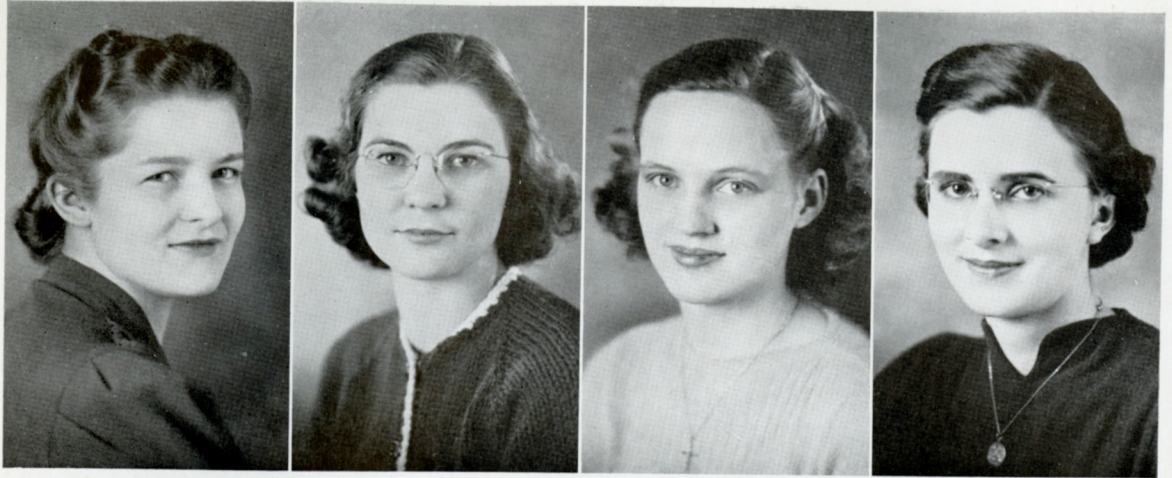

Installed in Morris Harvey on May 19, 1923

Chi Beta Phi is a national honorary scientific fraternity, consisting of eighteen chapters established in some of the leading colleges and universities of the central and southern states. The aims of the fraternity are to foster interest in science and to stimulate proficiency in science courses.

The national organization awards annually a scholarship key to the outstanding student member of each chapter.

For the purpose of promoting scholarship, Epsilon chapter awards every year a medal, called the Chi Beta Phi Science Medal, to that student of the college who attains the highest average on the first twenty-four hours of college science, provided that the average is ninety per cent or above.

Chapter meetings are held twice a month, or more frequently, and recent advancements in science are discussed by chapter members or by visiting scientists.

The Pan Hellenic Council was organized in September, 1938, in accordance with a constitution proposed by a committee from the social sororities and fraternities of the College. It consists of two representatives from every social sorority and fraternity and three faculty members. The purpose of the Council is to promote the best interests of the Greek letter social organizations of the College and to assist them in contributing to the success of the entire program of the institution. Meetings are held weekly.

Despite limited facilities for Production and rehearsal the Blackfriars presented a one act play in Morgantown as a part of the West Virginia Intercollegiate Speech Festival. The play presented was "The Red Lamp," a comedy. The parts were portrayed by Betty Lowery, Kyle King, William Mason, Theodore Frazer, Llewellyn Cole, and Sylvia Runnion.

The club participated in the Homecoming Day Football Pageant in the fall by entering a representative float.

Miss Virginia Williams, sponsor of the Blackfriars, was chosen to act as guest critic and judge at the Ravenswood regional one-act play contest. She was accompanied to Ravenswood by several of the club members.

MORRIS HARVEY BOOSTER

The success of the state championship team of Morris Harvey College can be measured in terms of its loyal support in Charleston. The man responsible for the organization of these supporters into the Charleston Athletic Association is M. K. Hearne. He has given of his own time and energy unselfishly, therefore, the Harveyan staff wishes to dedicate this sport section to "Mike" Hearne in partial recognition of his services. We could wish for nothing more than a host of similar friends.

Morris Harvey's 1938 football season is recorded as one of the best in the athletic history of the school. The Golden Eagles not only played stiff competition but were awarded the state conference championship crown for defeating all state opponents with the exception of one which they tied.

The '38 season is the only year the Methodists institution was ever awarded the title of "state champs." Credit for this factor cannot be placed upon any one person, but many. Coaches Jule Ward and A. H. "Pop" Werner gave their untiring efforts to put a winning combination on the field and their worries were answered in numerous ways. A squad of 41 players wearing the maroon and gold colors representing the college gave all they had throughout the season to fulfill their pilots' desires. The business men of Charleston got behind the college and its athletics to help place the "Little Duke" in the lead.

OHIO UNIVERSITY

It is an annual custom for large schools to open their schedule with a team that is easy to defeat. This is called a "breather." Coach Don Peden's Ohio University Bobcat reserves decided to open their '38 card on September 17, in this manner but were surprised to have the tables turned losing to the Eagles 6-0. The two elevens see-sawed in mid-field hardly piercing dangerous territory until Rex Mace whipped

one of his bullet-like passes to Bob Noga who scampered across the goal line for the only score of the afternoon. The final count favored Morris Harvey 6-0.

WEST VIRGINIA WESLEYAN

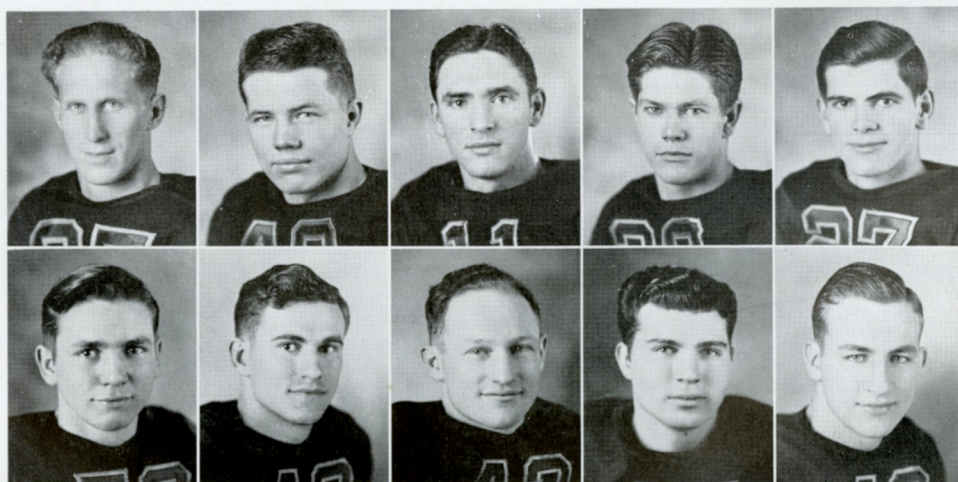

The following week, September 24, Coaches Ward and Werner's machine invaded Buckhannon to tangle with West Virginia Wesleyan's Bobcats. Losing no time in getting off with a bang the Eagles started tallying as Bob Pruett, end, plunged through the 'Cats to block Weber's punt, and pick it up to race 47 yards scoring in the opening quarter. George Sellers, a Missouri wingman, snagged one of Mace's passes on the 20 to spring down the field for a second touchdown. Mace booted the extra point. The locals idled through the third stanza without another marker but turned on the pressure to tally twice in the final canton. Sellers accepted another pass for six more points and Mace swept right end to record the final count favoring the Eagles 25-0.

GLENVILLE

For the third straight road game, an overconfident Eagle squad met Glenville's highly touted Pioneers at Spencer, September 30. During the game Nate Rohrbaugh's proteges forged their way inside the Methodists five-yard strip four times to be smothered by a forward wall that could have stopped a Nazi army that night. The line buckled down to stop Glenville's scoring threats but seemed unable to pierce its opposition to let the M-H backs through. In the waning minutes of the setto Tom Donegan, ever-alert pass defense man, intercepted a Pioneer toss deep in his own territory and ran across mid-field before being forced out of bounds. Ramblin Bob Starrett got away on a long gain carrying the ball to the 20. With but ten seconds left to play the dependable aerial combination, Mace and Sellers, proved too much for their rivals and the pass won the Wardmen's third conference victory as Mace converted the extra point to the tune of 7-0.

POTOMAC STATE

Returning to Laidley field for a night game with Potomac State, October 7, Charleston fans took their first glance at the powerful Golden Eagles who handed their visitors a 14-0 defeat before the evening ended. Mathew Lee, aggressive end,

blocked Garrettson's kick, scooped it up on the 20 to score in the initial quarter. In the final stanza Ruby, running behind good interference lost no time in tearing off 13 yards around end to chalk up another. Mace kicked one point and Del Pauley the other.

SCRANTON UNIVERSITY

With four conference tilts marked down on the credit side of the ledger, Morris Harvey tackled a non-conference foe. Knowing little of the strength of the team except what scouting could tell, Coach Jule Ward and his assistant, "Pop" Werner, took a 588-mile trip to Scranton, Pennsylvania, to see what they could do to Scranton U's. Tommies. The Tommies soon drew blood as Davidson, Scranton back, standing on his own 45, heaved a long pass to Stephanek, who dashed across the goal line with the game but three minutes old. The conversion was blocked. Late in the same stanza, after the ball had been advanced to the two-yard line, "Bearcat" Smith cracked center to even the count and Mace's place kick put the Eagles one point ahead. Starrett made another of his spectacular runs in the third taking a Tommie punt on the 40 and jiggling his way through the barricade to score. Mace's placement was good. Scranton came back to take Smith's kick on their 46 and with two passes had scored as Barkauskas flipped the pigskin to Tomasello. Taking to the air Scranton again advanced the ball to the eight-yard line and Cimakusky went off-tackle to score a winning touchdown. Cerra kicked the point giving Morris Harvey their only defeat of the season, 19-14.

SALEM

Morris Harvey showed its real power the following week, October 22, to steam-roll Salem 34-6. Bill Painter, tackle, blocked a Tiger punt and recovered before Smith plunged from the four to score and add the point. Ruby shoved the next over from the five-yard stripe in the second quarter and Starrett repeated the act by hooking a six-yard flip from Ruby. Del Pauley booted the point. Smith clipped off his second score from the five and again added the point in the third quarter. Razzle-dazzle football gave Salem its only score when Asay passed to James who lateraled to

the scorer, Vogle. The play was good for 67 yards. Mace soon hurled a toss to Noga and kicked the point to wind up the game under the floodlights at Laidley.

BETHANY

Running up the highest score of the season in the homecoming game October 28 under Laidley's lights, Morris Harvey crushed Bethany 41-7. Things started ticking in the second canton when Mace slipped around right end for 6 points and kicked the goal. The linemen are always the forgotten men unless they do something very outstanding, but that night they were the whole show. Sellers, Painter, Roberts, Fritts, Cobb, Captain Vaught and Johnson, along with many others took it upon themselves to see what they could do. Captain "Speedy" Vaught smashed through the Bison to slap the ball off the punters' toe and Art Johnson leaped on it in the end zone for six points. Jackson punched the Bison's score over immediately after Johnson tallied and Croshore added the point. Behind excellent blocking Mace took off for a 26-yard spinner and touchdown and made the point good. The forward wall paved the way for Mace again as he went on another scoring spree of 42 yards. Smith's placement was good. The shock troops went into action opening the final period and Donegan's flying feet soon took him over from the Bethany 22. Doc Pauley brought the finale on a pass from Ruby with Brother Del kicking both extra points.

NEW RIVER

On Armistice Day, which Morris Harvey celebrated as its first annual Sadie Hawkin's Day, Coach Steve Harrick's New River Bears invaded Laidley field with a roar for Eagle plumage only to be subdued 39-0. Noga, the Akron speed demon, was the feature of the game, galloping 73 yards for the fifth touchdown of the evening. Another score came by Mace tossing one of his unique passes to Tubby Thacker from the 33-yard marker. Thacker bolted to the 12, lateraled to Smith and mowed down the opposition as Smith scored. Ruby dashed across from the six to score and Starrett repeated from the 13. Another score came when Smith took the pigskin on the 36 and was forced to lateral to Painter on the 16 and run interference

letting the tackle score. To complete the razzle-dazzle riot Thacker and Bill Cobb partially blocked a punt which Smith picked up on the 35 and lateraled to Mace on the 28 and the Spencerian wound up the scoring. Three of the attempts for extra points were good.

WEST LIBERTY

Things happened to the Methodists the following week when West Liberty was encountered on the latters' gridiron. Rain poured down on the soggy field a day and night before the combat and the melee was in a sea of mud as rain continued during the game making passing and kicking difficult. In the second period Stine, West Liberty back, shook loose on the 20 to score for the Hilltoppers, surging into what appeared to be a definite lead. The locals bogged down on the two-yard strip and the upstaters took over. A bad pass from center brought the Eagles a safety when Krinicki fell on the ball in the end zone. Gloom soared high for the feathered invaders until Starrett then picked a Hilltopper pass out of thin air and raced 68 yards to be downed on the two. Donegan ran over on the next play. Leading 8-6 Donegan turned on the steam to splash out 45 yards in three attempts to be followed with a pass, Ruby to Starrett, taking the ball to the 20 and Pokey Tom picked up 15 more yards before Ruby skirted end to score. Pauley's educated toe rendered the extra point.

DAVIS & ELKINS

Coaches Ward and Werner's proteges rung down the curtain on the season November 26, at Laidley by tieing Davis & Elkins 6-6. When the teams entered the field the site was covered with snow but the sun and the players trampling soon had a marshy sloop. D. & E. rallied to score first in the second quarter when Hudson shot over right tackle to score and the Eagles came back the following period to tally when Smith went over from the three-yard line. The extra points were void.

Coach Jule Ward and his assistant had been successful for the second consecutive year in placing a winner on the gridiron. Out of a ten game schedule their proteges lost one game, tied one, and won eight. At times there were as many as six freshmen in the lineup which looks like next year should be a banner season in spite of much stiffer competition.

WERNER RESIGNED

Coach A. H. "Pop" Werner, the fellow who gave his whole-hearted efforts and time in tutoring the line candidates and assisting Coach Ward in any way possible, resigned his position here at Morris Harvey after two years of turning out splendid material and getting the same results. Coach Werner left the Methodist institution for a similar position at William & Mary at Williamsburg, Virginia. The mentor also coached the basketball material.

The school, squad and townspeople hated to lose the "Popper" but his vacancy was soon filled with another Duke man, Tom W. "Moe" Power, a teammate of Ward and all-American Ace Parker. Power soon took hold of the situation and Spring training opened March 6, with the Eagles working out in the Y. M. C. A. After a week at the "Y" Coaches Ward and Power, assisted by Werner until he left March 16, took the proteges to Armour Park in South Charleston for outside drills. The workouts ended April 22, with the team looking in the pink of condition. Three intra-squad scrimmages were held. The first was played to a 0-0 draw, the second team won the second 14-0, and the first team won the last 18-13.

VAUGHT AND WASHBURN SENIORS

When the roll was called for spring training everyone was present but Captain Gerald "Speedy" Vaught and Jesse "Hoss" Washburn, the only seniors on the team. Vaught was the nucleus around which the '38 machine worked and has received much praise for his outstanding work at tackle. He made the Gazette's All-State eleven and was chosen captain. Washburn was an ever dependable guard who saw plenty of action and whose services will be missed along with Vaught's. The '38 card was the best the two Eagles enjoyed throughout their football career and their dependable play will be remembered along with the best Morris Harvey has ever graduated.

MADE ALL-CONFERENCE

Four men, Captain Vaught, tackle; Bill Cobb, guard; Rob Starrett, and Rex Mace, backs, made the Gazette's all-state team for their accomplishments of the gridiron last fall. They were chosen by the Coaches of the West Virginia Conference. George Sellers, end, made the second eleven and several others got honorable mention.

MIGHTY MONARCHS OF CIVILIZATION

The average person seldom thinks of the vital relationship between our School System and a Gas Company.

In reality, natural gas is one of Education's staunchest pillars, especially in West Virginia.

Of the hundreds of thousands of dollars spent annually by Gas Companies for improvements, expansion, taxes, rentals, pay rolls, etc., a major portion goes toward education of the youth of the state.

And, so the Schools and the men in the Gas fields both are contributing generously to the progress of the State.

Both are Mighty Monarchs of Civilization.
